

The 5-Year Implant Guarantee Plan

Guarantee your implants with an affordable monthly payment

Protect your investment with The Implant Guarantee Plan

What does the Implant Guarantee Plan include?

- Free implant replacement if the implant fails due to the manufacturer's defect
- Free implant replacement if it is lost due to gum health or bone
- Free implant replacement if it is lost due to trauma
- One free check up per year
- Worldwide dental emergency and accident cover including implant cover
- Subject to terms and conditions

Why should I guarantee my implants?

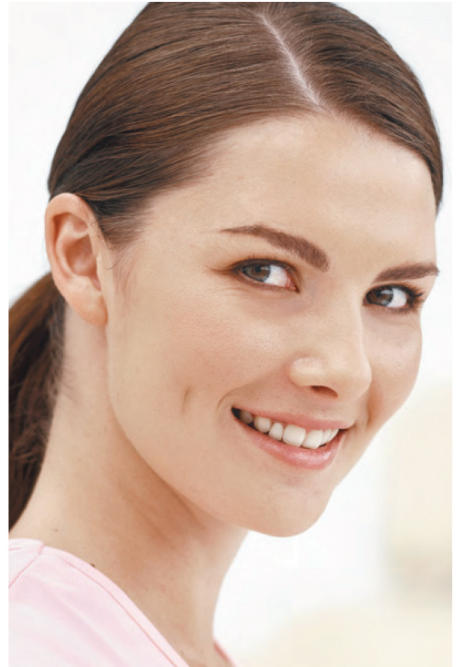

Your implants represent a considerable investment in time and money. Whilst implants are scientifically proven to be more than 95% successful, there is a small chance that implants can fail due to trauma or bone loss. By taking out this Guarantee Plan you can have peace of mind to know that your investment is protected.

How much does the plan cost?

The cost of the plan depends upon the number of implants covered. Here are the monthly fees:

1 implant	£5.99
2 implants	£9.30
3 implants	£12.60
4 implants	£16.00
5 implants	£19.30
6+ implants	£22.95
Teeth-On-4	£22.50 (per arch)

Your 5-Year Implant Guarantee

If you are an Implant Guarantee Plan member, your implants are guaranteed for 5 years from the first day of membership. To qualify for the guarantee:

- Your implants must have been placed by the Brighton Implant Clinic.
- You must attend regular check-ups at least once a year at any branch of the Brighton Implant Clinic or with your regular Dentist* and also attend Hygienist appointment as recommended by your Dentist.
- The implants must not have been removed or modified by another practice, unless in a dental emergency.
- Trauma must not be self inflicted.

Regular check-up appointments are essential to the healthy maintenance of implants. Failure to attend such appointments will invalidate your insurance. Proof of attendance must be supplied on request in the event of a failed implant.

All implant treatments are automatically guaranteed for one year after the treatment is complete. The Implant Guarantee Plan must be agreed by the end of the first year after completion and will commence on the expiry date of the original guarantee.
